give students with special needs a night they'll never forget

a NIGHT to Remember

A Night to Remember is a prom event that has served thousands of students with special needs in Ventura County in the last decade. For many of our guests (ages 12-25 with special needs), the celebration, belonging, and collective joy that comes with Night to Remember is worth anticipating all year long. A Night to Remember is a free, no-strings-attached prom that aims to honor and celebrate our guests with special needs in every way we know how. We provide each guest with everything they need for a truly memorable experience: a student host, stunning dress or tuxedo, professional makeup and hair styling, a corsage or boutonniere, a ride in a limousine, formal photos, a walk down the red carpet through a cheering crowd of paparazzi, a swag bag, live DJ, dancing, food, and so much fun!

We've missed the event these past few years due to the pandemic, but we are BACK on March 8, 2024 and can't wait to bring everyone together again! We anticipate that 500 students with special needs will participate and we need your help to assure that we can give these amazing guests a joyful, celebratory, and unforgettable night. Together we can make this truly a "Night to Remember."

Please consider partnering with us financially to make this special night possible for students in our community. For more information and a video you'll never forget, check out our website, <http://www.ntrventura.com>. I will be following up with you in the next few days to talk about possibilities and sponsorship perks and packages, but in the meantime feel free to contact me at (805) 701-3137 with any questions. I'm looking forward to connecting with you soon!
